SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The Gold Hill North Metro District No. 2 (“District”), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso County, Colorado on November 24, 2021, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The Preliminary Consolidated Service Plan, approved by the City of Colorado Springs on July 27, 2021, formed the Gold Hill North Metropolitan Districts Nos 1 – 2 (“The Districts”).

The District was organized to provide planning, acquisition, construction, installation and financing of public improvements, including streets, water, wastewater, traffic and safety, park and recreation, mosquito control, television relay and transportation facilities, primarily for residential and commercial development known as Gold Hill North. The District is one of the Financing Districts organized in conjunction with two other related Districts – Gold Hill North Business Improvement District and Gold Hill North Metropolitan District No. 1. Gold Hill North Business Improvement District serves as the Operating District which will pay all vendors of and receive reimbursement/contributions from the Financing Districts. All other Districts are the Financing Districts which will levy ad valorem taxes on taxable properties within each District and assess fees, rates and other charges as authorized by law. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District’s voters held an election on November 2, 2021. Pursuant to the District’s Operating Plan filed annually with the City, the maximum debt mill levy is 50 mills, and the maximum operating mill levy for the payment of administrative, operations and maintenance expenses is 10 mills. The maximum debt authorization for the District is \$90,000,000.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.
